

BEST PRACTICES OF THE INSTITUTION

1) PRERNA:-

GOAL:

- To motivate students to strive for excellence.

CONTEXT:

- Award and Punishment occupy an important place in teaching learning process.
- Motivation is considered as an important factor for inspiration.

THE PRACTICE:

- Distinguished performers in the field of academics NCC, NSS, Cultural sports, and the other fields are awarded and their names are displayed on “Prerna” Board

EVIDENCE OF SUCCESS:

- Number of enrolments in NSS and NCC increased and result also improved.

PROBLEMS ENCOUNTERED:

- Difficult to choose the best among so many good performers especially in cultural activities.

2) “GO GREEN” PRACTICE:-

GOAL:

- To maintain an Eco friendly campus and maximize plantation.

CONTEXT:

- Plants are the lungs of the earth. They suck the pollutants and provide fresh air for us to breathe.

THE PRACTICE:

- “Go Green Practice” ascertains that plantation forms the core of any sort of celebration.
- Green ambassadors ascertain that the plants are being taken care of.
- They also take care of the clean and green college campus.

EVIDENCE OF SUCCESS:

- Mass participation of students.
- A green Eco Friendly campus.

PROBLEMS ENCOUNTERED:

- Care of the plants especially during long holidays.
